JN-4060 60W Laser Engraving Machine Parameter Sheet:

JN-4060 60w Technical Parameters		Picture	
<p>Model: JN-4060</p> <p>Brand: JOYINJET (Can do OEM)</p> <p>Laser Power: 60W(80W Optional)</p> <p>Laser tube type: Customized Joy laser CO2 Glass sealed laser tube</p> <p>Working Area: 600X400(mm)</p> <p>Cooling mode: Water Cooling</p> <p>Engraving Speed: 0-1000mm/s</p> <p>Cutting Speed: 0-100mm/s</p> <p>Locating Precision: <0.01mm</p> <p>Min Shaping Character: Character:2*2mm,letter:1*1mm</p> <p>Honeycomb table: include</p> <p>S&A CW3000 water Chiller:(Optional)</p>	<p>Guide Rail: imported Square guide rail</p> <p>Maximum Engraving Depth: 2-3mm for acrylic, plywood, 1-2mm for harder material</p> <p>Maximum Cutting Depth: 6mm for acrylic, plywood, 3mm for harder material</p> <p>Compatible Software:RD5121 Controller</p> <p>Manual up and down table: yes</p> <p>Up and down height: 200mm</p> <p>Drive Type: Stepper Motor</p> <p>Machine Size: 1390*780*500(mm)</p> <p>Packing Dimensions: 1620*1290*1125(mm)</p> <p>Total Power: 500W</p> <p>Working Voltage: 220V 50HZ/60HZ</p> <p>N.W.: 120KG</p> <p>G.W.:185KG</p>		
Other parts			
			
Power Cord: 1 piece	Air Pump:1 piece	USB line:1 piece	S&A Water Chiller: 1 Piece
			
85w centrifugal fan:1 piece			

1. Shipment Terms: By Air or Sea(according to requirements) .
2. Payment Terms: T/T100% in advance, Western Union .
3. Package: Standard Wooden Case with Foam for Export .
4. Delivery Time: within 2-7working days after payment
5. Warranty Time: Laser tube 10 month, Mirrors and lens (Three Month) .
